Principal: Mr A. Walker, B.Ed., M.Ed.

9 October 2026

Dear Local Business

I am writing on behalf of Nendrum College to offer your business an exciting opportunity to partner with us in supporting local young people. By partnering with our College, your business can promote its services to the local community while directly investing in both youth achievement and sporting development in Comber and the surrounding area.

We are currently seeking local business sponsors across two impactful initiatives:

## 1. Student Excellence & Merit Prizes

Each half term, we celebrate the academic, leadership, and personal achievements of our pupils through special awards assemblies, culminating in an annual Rewards Day for our top achievers across the academic year. To make these events memorable and inspire our students to keep striving for excellence, we are seeking local business sponsors for merit prizes. You can support our students through:

- **Gift Vouchers, Products, or Services:** Donating items to be used as half-term prizes (approx. £50 value).
- **Financial Contributions:** Sponsoring the purchase of awards and trophies (£50–£100).
- **Category or Year Group Sponsorship:** Directly sponsoring a specific award category or year group (£50–£200).

*In return, your organisations logo will be featured in our event programmes, school newsletters, and active social media platforms, highlighting your commitment to local education.*

## 2. Pitch-Side Sports Advertising

Nendrum College is home to two busy sports facilities: a football pitch and a hockey pitch, both are in regular use throughout the week and every weekend for school activities and local sports clubs.

- The **football pitch** is home to Comber Rec's 3rd and 4th male teams and hosts training and competitive matches across all age groups and genders.
- The **hockey pitch** is used extensively by several local schools and Ards Hockey Club, offering continuous brand exposure to players, parents, supporters, and visiting teams.

We invite local businesses to advertise via professionally produced pitch-side boards around either facility:

- **1-Year Sponsorship:** £165
- **2-Year Sponsorship:** £245
- **3-Year Sponsorship:** £305

*All funds raised from pitch-side advertising will contribute directly toward installing floodlights at the College, enabling year-round usage for young people and local sports clubs.*

Whether you are interested in sponsoring student merit awards, placing an advertising board at our sports grounds, or exploring a tailored combination of both, we would be delighted to work with you. To discuss these opportunities further, please contact the College by email at [info@nendrumcollege.comber.ni.sch.uk](mailto:info@nendrumcollege.comber.ni.sch.uk) or call us on **028 9187 2361** (asking to speak with Dawn Thompson).

Thank you for considering supporting Nendrum College and our local community. We look forward to the possibility of partnering with you.

Your faithfully

A Walker  
Principal
