YEAR 12 POST-16 INFORMATION MORNING THURSDAY 15 JANUARY

Dear Parent/Guardian

At this important time, we invite you to attend a Post-16 Information Morning in the Assembly Hall of the College. This is an important opportunity to hear from our two local colleges, SERC and Belfast Metropolitan College, who offer opportunities to your child for the next step of their educational journey.

Your child has important career pathway decisions to make, and this Information Morning will allow your child and yourself to become more informed about potential destinations next year. Following on from the success of the Learning Guidance Forum, we feel your attendance is significantly important.

The Information Morning will run from 09:10 until 10:30. We ask you to arrive between 08:45 and 09:00 to ensure we commence promptly at 09:10. Both College's will conduct a short presentation and then allow you to ask questions to find out any information you feel is important.

Your child will attend school as normal on this day, arriving for Registration for 08:45. They will be brought to the Assembly Hall after Registration by their Form Teacher to join you for the Information Morning.

Please note there is an additional Post 16 Information Morning scheduled for Friday 6 February when you are invited in to the College to hear from a number of local schools offering Post 16 choices / A Levels. Further information will be provided regarding this morning closer to the time.

Kind Regards

Mr R Williams
