

# NENDRUM COLLEGE

## EASTER SCHOOL 2025

During these days, normal timetable is collapsed to provide longer and more focused revision time for students. These are full school days, and all students are expected to attend, in full school uniform. They should bring their usual classwork books and equipment to each session. Canteen facilities and school buses will be available as normal. If students do not have a scheduled session in the afternoon, they may sign out at the office and continue individual study at home. It is hoped that these sessions will help to commence and model a structure of revision at home as students prepare for their GCSE exams.

**11W and 12M will attend SERC as normal on Friday 11 April.**
