

The School Immunisation Team will be attending your child's school on 08/01/2024 to administer flu vaccines.

If you consented for your child to receive the flu vaccine but they did not receive it on 12/12/2023, the School Immunisation Team will give your child a 2nd opportunity to receive the vaccine in school.

Please leave a message at your school reception, or contact the School Immunisation Team on 07890304173 if your child was off from school due to ill health and has any of the following:

- Heavy nasal congestion**
- Active wheezing in the past 72 hours or those who have increased their use of bronchodilators in the previous 72 hours**
- Received treatment with influenza antiviral agents**
- Has received their flu vaccine elsewhere**
- Commenced on steroids**

Many thanks
